

GL-750 GLASS CLEANER PRODUCT OVERVIEW

Aerosol Glass Cleaner

Features:

- No Personal Protective Equipment required

Remove grease and filth with ease.

Cut through even the grimeiest film on glass with the superior cleaning power of Bradley Systems GL-750 aerosol glass cleaner. Remove grease, filth, fingerprints and more with ease. The result: a spotless, streak-free surface every time.

Our special formula is more powerful than competitive glass cleaners, resulting in clearer glass. Perfect for vehicle windshields, windows, and interiors. Great for restaurant windows, menu boards, glass tabletops, and mirrors. Also versatile enough to clean counter tops, metal door handles, any non-porous surface that needs a clean, clear, quick wipe.

See consistent results with this ready-to-use formula, which eliminates any possibility of human error in mixing or measuring. Simply spray and wipe. And it's ammonia free, so no dangerous fumes and no risk of irritating skin.
