

Bradley
Systems

Providing highly effective, environmentally
responsible cleaning solutions
to our targeted markets.

All of our quality cleaning formulations
are proudly made in the U.S.A.

CLEANERS AND DEGREASERS

AUTO-SAFE ADHESIVE REMOVER (BTA10)

Remove stickers and adhesives from vehicles without harming the finish of the vehicle. This non-flammable, biodegradable product makes an easy task of removing both stickers and their adhesive backing.

Concrete Remover (BT005)

Keep your vehicles and equipment clean with Bradley's Concrete Remover. This phosphate-free and VOC-free formulation is safe for use on steel and aluminum surfaces. It can be used to remove concrete residue, lime, rust, scale and hard water deposits.

GTX-7 All-in-One Automotive Interior Cleaner (BTGTX7)

Excellent for cleaning glass and mirrors; other hard surfaces; and spot cleaning upholstery and carpet. This VOC-free formulation is safer in use, yet tough enough to break through grease, food residue, smoke film, scuff marks and more.

Industrial Strength Defoamer (BT001)

Non-toxic, non-flammable and non-corrosive when used as directed. This product is designed for to break down detergent foam generated in various cleaning and manufacturing process applications.

Low-Odor Wax Remover (BT002)

Remove wax without harsh ammonia odors or fumes. Use to remove paraffin, vegetable, animal, synthetic or Alpha Olefin waxes. Also works on metal cross-linked finishes. Concentrated to provide the performance you need.

CLEANERS AND DEGREASERS

Professional Building & Exterior Cleaner (BT009)

Formulated to be safer in use and for the surrounding environment; this cleaner can be diluted for just the right application. Use in pressure washers, floor scrubbers, mop and bucket, or trigger sprayer applications. It'll wash away dirt, black algae, oils, fuel residue and soils.

RTX-9® All-Purpose Degreaser Wipes (BTRTX906)

Looking for a fantastic cleaning and degreasing product on a wipe? Look no further. RTX-9® All-Purpose Degreaser Wipes provide heavy-duty performance to dissolve, loosen and absorb dirt and soils. From grease, soap scum, oils, adhesives and more, RTX-9® wipes provide a convenient solution that is VOC-free and compliant in all states. There's no diluting, mixing or spilling; just the easy-to-use wipes that are gentle enough on your hands, yet strong enough to break through tough dirt and grime.

RTX-9® Cleaner & Degreaser (BTRTX9)

This all-purpose cleaning concentrate provides economy in use. One product for multiple applications reduces number of products you need to stock. From cleaning sinks and toilets; to floors and carpets; or vehicles and equipment. RTX-9® does it all.

RTX-9® with CITRUS (BTRTX9C)

Like the original RTX-9®, this all-purpose cleaning concentrate provides great performance and economy in use. One product for multiple applications reduces number of products you need to stock. The added feature here is our citrus scent, that leaves areas smelling fresh and clean.

RTX-9® TURBO (BTRTX9T)

RTX-9® TURBO provides unmatched heavy-duty cleaning and degreasing power required by our automotive and fleet customers. For the tough cleaning jobs with heavy-equipment, trucks, buses, cars and machinery turn to RTX-9® TURBO.

CLEANERS AND DEGREASERS

RTX-9® TURBO FG (BTRTX9T-FG)

RTX-9® TURBO FG is the go-to cleaner and degreaser for the food industry. NSF registered and AIB compliant; this product will fill the needs for maintaining food transportation, food processing and food storage areas for non-food contact surfaces in food production and related facilities.

DEODORIZERS

OdorBouncer (BTOB)

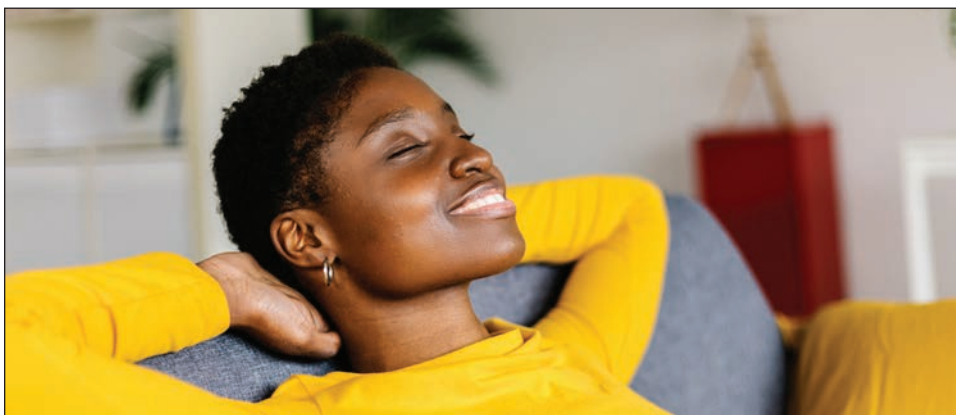

OdorBouncer works to eliminate odors at a molecular level; not just mask them with chemical fragrances. It's biodegradable and safer in use than most chemically based deodorizers. Use it for indoor spaces of offices, or in cars, trucks and fleet vehicles.

OBX-11 Bio-Based Odor Eliminator (BTOBX11)

Eliminate odors naturally, with a proprietary blend of plant-based ingredients. It's safer in use and safer for the environment; yet strong enough to destroy the odors. OBX-11 bonds with odor causing molecules, breaking them apart to truly eliminate the odors. This VOC-free formula is compliant in all 50 states.

Sunshine Deodorizer (BT010)

With a blend of long-lasting essential oils and odor eliminating compounds, Sunshine Deodorizer eliminates odors through molecular encapsulation. It attacks the source of odors and neutralizes them. Spray in the air, on most fabrics or carpet, to get to the source of the odors.

EXTERIOR AUTOMOTIVE & FLEET MAINTENANCE

All-Weather Washer Fluid Concentrate (BT006)

Keep windshields clean while on the road, even in the coldest weather. Just fill the windshield washer fluid tank with the appropriate dilution for best economy and most effective use based on the season. Anti-freeze protection at full concentrate works to -140°F. Keeps windshields clean without streaking.

EXTERIOR AUTOMOTIVE & FLEET MAINTENANCE

FAST MELT DE-ICER (BTGL-758)

Treat your vehicles' exterior windows, headlights and other surfaces with Fast Melt De-Icer before a storm to prevent buildup of ice during the storm. It can also be applied after a storm to assist in removing ice. Safe for exterior vehicle surfaces and will not harm finish.

RTX-3 Car Wash Soap (BTRTX3)

RTX-3 is perfect for use in rental car facility car washes, industrial car washes and hand wash operations. This formulation works to lubricate brushes with each wash to keep equipment at optimal performances. It's enhanced with a rinse aid that limits spotting issues so the newly cleaned vehicles will really shine.

Tar & Asphalt Remover (BT008)

Don't let the construction season, leave your vehicles marked with oil, tar and asphalt. Bradley's Tar & Asphalt Remover safely dissolves these nuisances from vehicle surfaces to easily clean them away. This low-VOC, biodegradable product is safe for both metallic and non-metallic surfaces.

GLASS CLEANERS

GL-696 ALL SEASON (BTGL-696)

Keep windshields and windows clean even in the cold of winter. GL-696 provides the cleaning performance that can be used on surfaces with a temperature as low as 0°F. Just spray product on glass surface and wipe clean.

GL-750 GLASS CLEANER (BTGL-750)

This premium glass cleaner provides a thick foam to lift away the toughest soils. Just spray on and wipe off for a streak free finish. Use on all glass surfaces, windows, windshields and mirrors.

GLASS CLEANERS

RTX-15 GLASS CLEANER (BTRTX15)

RTX-15 is a liquid glass cleaner available as a ready-to-use solution; or for best economy as an Enviro-Shipped concentrate that can be diluted at your facility. The formulation is biodegradable, non-flammable and ammonia-free. Just spray and wipe away tough smudges, fingerprints and soils.

INK CLEANERS

Yellow Magic® (BTYM)

Clean Flexo and UV based inks effectively and safely with Yellow Magic®. This VOC-free, water-based cleaner can be used to clean virtually everything on a press. It's non-flammable and compliant with California Clear Air & Water Rule 1171.

Yellow Magic® 7 (BTYM7)

Yellow Magic® 7, like the original Yellow Magic® is a VOC-free, water-based cleaner for cleaning of printing presses and materials. This formula however; is NSF registered for use in areas where human and pet food packaging are printed and manufactured.

Yellow Magic® 7 Press And Work Station Wipes (BTYM706)

Get the proven, powerful cleaning performance of Yellow Magic® 7 with the convenience of a wipe. You'll find them essential to keep press-side and at workstations when working with Flexo UV and water-based inks, coatings, and varnishes. They provide the perfect solution for quick spot-cleaning during print jobs and are always ready to help clean up any press and workstation mess. There's no diluting, no mixing. Simply pull out a wipe and you're ready to clean. NSF A1 registered for nonfood compounds.

TURBO Yellow Magic® Water-Based Ink, Flexo UV Ink, and Coating Cleaner (BTYM)

TURBO Yellow Magic® is a potent water-based formula; proven in the field, to safely clean both water-based and UV-based inks. It quickly penetrates and liquifies cured coatings and helps to minimize costly press downtime. It does not contain any Prop 65 or SARA reportable ingredients and is VOC compliant in all 50 states.

INK CLEANERS

Foameee Hand Soap (BTHS100)

Foameee Hand Soap is perfect for removing printing inks and soils from hands. Ultra-mild formulation prevents dryness even with repeated use throughout the day. Product can be used without water: just squirt it on, rub it into the grime and wipe hands clean.

SANITIZERS AND DISINFECTANTS

United 667 MIGHTY DEFENSE Disinfecting Wipes (United 677)

This EPA registered product has over 45 kill claims, including, but not limited to: Salmonella, E. coli, Human coronavirus, HIV-1, Hepatitis (B & C), Avian Influenza A, CRE, MRSA, VISA, VRE, VRSA, Canine Parvovirus and Feline Calicivirus. Can be used against emerging pathogens, like COVID-19 when used in accordance with the directions for use against Poliovirus type 1 and Rhinovirus.

United 262 HEPACIDE Broad Spectrum Disinfectant (United 262)

This EPA registered disinfectant cleans and protects your facilities from over two dozen pathogens and is on the EPA List N for protecting against emerging pathogens like SARS-CoV-2. In addition, it can be used to control mold, mildew and fungus that contribute to sick building syndrome. Kills Methicillin-Resistant Staphylococcus aureus (MRSA) on hard surfaces. Highly concentrated to provide efficiencies with at-use dilutions.
