

# Foameee

## FOAMEEE PRODUCT OVERVIEW

### Industrial Hand Cleaner

#### Features:

- Designed to be used at the work station or press side.
- Economical and effective to be used throughout the day, every day
- Does not contain harsh solvents and scrubbing agents that can irritate the skin
- Does not require water, like other cleaners

#### Effectively Removes:

- Grease and Grime
- Inks, Coatings, and Paints
- Adhesives
- Tar and Resins

#### Tough on Grime.. Easy on the Hands!

Foameee Industrial Hand Cleaner hones in on ink removal with its powerful, yet gentle, formula.

This unique, ultra-mild formulation prevents dryness by eliminating the harsh chemicals used to remove dirt and grease. **Foameee Industrial Hand Cleaner** is engineered specifically to combat ink, making it so gentle that even the most frequent hand washer avoids the dryness that comes from washing over and over again.

Ultra-mild, tough on dirt, economical, and unlike other industrial hand scrubs on the market...Order yours today and see what you have been missing!
